GRAND HARMONY NAIL TECH TIPS

Preventative & Natural Fixes

For Flaky Hands— Pineapple juice has enzymes that help break down dead skin cells to exfoliate the hands.

For Stained Hands— The citric acid in lemon helps clean and dissolve dirt and soil out from under the nails and in cracks of skin.

For Dry Hands— Olive oil works great as a hydrator for very dry feet or cuticles.

For Brittle Nails— Vitamin B (Biotin) is helpful in making nails stronger and preventing splitting and breaking.

Grand Harmony Facial Facts

Exfoliating your face and body, why is it needed?

Exfoliation is one of the keys to keeping breakouts to a minimum, and dry, dull skin smoothed and polished. At Grand Harmony Spa we have a variety of EMINECE skin care products to help with this process.

WHY EXFOLIATE?

- ◆ *Regular exfoliation removes the hard keratin layer buildup and brings luminosity and clarity to the skin*
 - ◆ *Unplugs pores*
 - ◆ *Helps minimize fine lines*
 - ◆ *Removes dry flakes*
 - ◆ *Revives sluggish skin*

For the Face :

*Normal, combination, sensitive and rosacea skin types benefit from the **Rosehip & Maize Exfoliating Masque**, while non sensitive, mature, and dry skin types find visible results with the **Almond and Mineral Treatment** and the **Pear & Poppysed Microderm Polisher**.*

For the Body:

*All skin types can benefit from the **Coconut Sugar Scrub** or **Blueberry Soy Sugar Scrub**. Utilizing raw sugar cane granules and ingredients like virgin coconut oil and blueberry pulp to refine, nourish and hydrate your skin from head to toe.*

Professional treatments:

*For mature, oil, combination and non-sensitive skin, we recommend requesting the **AHA Fruit Pulp and Paprika Treatment** (stimulating) these can be used in any 50 or 80 min facial.*

*For Dry, lack luster, flaky skin, we recommend any of our full body scrub treatments: **Blueberry Soy, Coconut, Chocolate, or Cranberry Pomegranate**.*

*Come check out our full line of **EMINENCE Organic skin care** products!*
